### ***“Rethinking the Local Church”***

**DISCUSSION QUESTIONS:** (If you don't have a team, invite a friend that would be interested in thinking through these questions with you.)

I. Would you consider the church you grew up in to be focused more on “insiders” or “outsiders”? \_\_\_\_\_

- What leads you to that conclusion?

\_\_\_\_\_

II. Did you ever invite an “outsider” to the church you grew up in?

- What was that experience like?

\_\_\_\_\_

III. Andy said, “God's activity is most easily seen in churches that are focused on what our heavenly Father is focused on—the outsider.”

- Do you agree or disagree? \_\_\_\_\_ Why?

\_\_\_\_\_

IV. Do you think your current church is focused more on “insiders” or “outsiders”? \_\_\_\_\_ Why?

\_\_\_\_\_

V. What might you be doing to make it challenging for the “outsider” to connect? \_\_\_\_\_

VI. Discuss why or why not you would want to design a church with “outsiders” in mind?
